### 7. Questions:

### 8. Coach Clabough:

8<sup>th</sup> year at Los Al, appreciates all the efforts of the Booster Club. Field looks good, trying to instill in the players pride in their facilities and attention to detail.  
Roster/Numbers – recently made cuts, always difficult, players have to continue to work hard. Usually more attrition so less cuts. Freshman not finished with their tryouts. Remaining players will get more playing time.

Fall/Winter Ball – wants the kids to play aggressively, take chances they wouldn't in regular game situations, get a better idea of what their capable of. No base coaches for Team 1.

Dec. 8<sup>th</sup> games will be adjusted due to Christmas Tree Sales and games will be later in day.

Depth Charts will continue to be used.

Once the Varsity / JV rosters are announced they will be solid and there will be no movement.

Still looking for one Coach for Winter Ball.

Team 1 has been doing a great job in the dugout at the Paramount games, haven't heard of any difficulties – Matt Avery and Brian Tripp are in charge of the dugout and are handling this very well.

This is the 2<sup>nd</sup> year our freshmen have been playing Winter Ball.

Workouts M/W/F mornings good for the boys

Survey for the boys was from Coach Murphy – help the boys get focus on their work and effort.

Freshman, when football is finished move over to baseball 6<sup>th</sup> period

If anyone cannot make a Winter Ball game, please email Coach Clabough.

Physicals – everyone is required to have a physical, please get this completed and turn in your yellow cards. If you have played another sport, the yellow card will be transferred to Clabough. Must complete your white information cards. Clabough will have the white cards for the boys.

Feb. 11<sup>th</sup> is the first official practice of the Baseball Season. Must have yellow and white cards or they cannot play or practice.
