8. Coach Clabough:

- Winter league begins Nov. 3rd. If there are many freshmen in other sports and unable to participate then we will spread out the sophomores to Team 3, this will result in them getting more playing time.
- After tryouts, if any freshmen were not in baseball class they will be moved to the baseball class 6th period.
- Coach will decide the roster for Varsity/JV by January and then players will not move around.
- The number of players is high at this time. Coach wants to give them the chance to be seen. He will make some decisions to reduce the number of players.
- Black Cleats will be used for the '07-'08 season
- Andy Yonaki is at Scout School in Arizona. At this time he plans to stay with Griffin Program. He will apply what he is learning to the program.
- CIF rules state that teams may participate in '20 contests', league games each count as 1, double headers =1, tournaments =2 (we have 15 league games) we are in the Redondo tourney, games are on Saturdays, starting sometime in March. (this is for Varsity and JV)
