We need lots of workers, all players and parents should be there. We need people to cut trees, put on stands and if anyone has a Motor home that we can use on Friday night to guard the trees please let us know!

Tree Orders must be turned in at our November 3<sup>rd</sup> meeting!

- D. Griffin Gear (Kathy Nakaki)  
Only received 2 orders, we need more to place an order. Kathy has a small inventory on hand of shorts, t shirts and sweatshirts, please contact Kathy if you need anything.
- E. Snack Shack (Darin Minter)  
Donations – need donations, Gatorade, Water & Snickers candy bars especially  
Considering raising prices slightly. Question whether we really want to raise prices or not, up for consideration.
- F. Paper Drive Update (Matt Lorenzini)  
Last Saturday of each month from 8am – 1 pm  
We work this in conjunction with the Rossmoor Homeowner's Association and we receive 1/3 of the proceeds.

October 25<sup>th</sup> workers are: Beau Wright, Mickey Lorenzini, Tyler Godoy and Will Olsen
- G. Car Wash (Todd DeAngelis)  
Found out we did not have permission to be there and had to close down about 12:10 that day.  
We made about \$2,000  
Need to find another place for our February car wash!

### 5. Coach Clabough

Freshman tryouts completed, we have a large group of 24 boys. Met with the freshman and explained that this program is competitive and now they have to work hard.  
For all of the players there are 49 non seniors so this will be an on going challenge for them and there will be more cuts.  
No one has improved without working hard.  
Physical form and 2 white cards need to be turned in.

If a player is playing a fall or winter sport the physical form will be passed on from that sport to Clabough.

### J- Bands

Each player should have these – they have ordered them and you can pay with a check to LABBC \$30

This is good for stretching and strengthening

### Fall/ Winter Schedule

26 games for Varsity

13 for JV / Freshman

Varsity will have split squad games, they will be told in advance

If a player needs to miss a game due to a test, group project or out of town it's not a problem.

Fall / Winter is to get the players ready but does not want to burn them out. Cost for Fall/Winter covers insurance, fees, umpires, equipment and coaches.

Question regarding travel ball, should the players be participating?

Coach Clabough says that they don't need to, but if they want to play on Sundays that's up to them. Pitchers should not play travel ball.

Due to the CIF rule change, Clabough thinks that summer play will now be different, it will become less important since the Coaches can work with the players in the fall and winter. It will be ok to play on different teams in the summer.

**6. Next Meeting - Monday, November 3rd, 7:00pm in Room 153**
