## Please help us Rebuild our Field of Dreams

Dear Friends:

Los Alamitos High School is now 43 years old, and over time, our baseball facilities have become old and run down. Our irrigation system is beyond repair and repeatedly breaks, flooding our fields, driving up maintenance costs and wasting water. Dry rot has eaten away at our backstops and dugouts. Our outfields are in such bad shape that they sometimes affect the outcome of our games. Batting cages, bleachers, electrical and plumbing systems need to be replaced. Our public address system and scoreboard do not work. Protective padding, field maintenance equipment, nets, tarps, and screens are in various states of disrepair. Even the dirt on our infields and pitching mounds are old and worn and needs to be replaced.

Our needs are many. Unfortunately our resources are few.

Please help us by supporting the "Field of Dreams" Fundraising Campaign. Here's your chance to show your community spirit by playing in our upcoming Golf Tournament and Poker Night, buying space in our media guide and banner program, or donating time, money and expertise to help us reach our goal. Every contribution, large and small, puts us that much closer to building a highly competitive baseball program while also investing in the future of our youth and community. Our players have always worked hard in class and on the field. Help us give them every opportunity to do as well as possible this season...and for many seasons to come.

Thank you,

Aaron Moore, Head Coach  
Los Alamitos High School Baseball Program
