Dear Friends and Neighbors!

Los Alamitos Boys baseball program is holding an equipment sale to upgrade our fields into the first class shape that our program is! We need your help. While you are putting the holiday decorations back into the garage, would you mind looking around for some old sports equipment from any sport that you might be able to donate to our sale? We promise that the money earned will really go far to fix our fields, and bring them up to 2010 standards.

Of course you will get a tax deduction for your generosity, and we will get that form to you for your tax return.

Any help that you could provide would be so greatly appreciated! Thanks in advance for your help. The boys are so excited to play on top-notch fields!
