Format for play: Shamble. - Each player hits their own drive, then best shot is chosen and second shot is hit from best location. From here each golfer plays their own ball to the hole. Like the 'best ball' format, the best score on each hole serves as the team's tournament score. Cannot use Mulligan's on putting green.

What we need from boosters: Ticket sales, silent auction basket items, coordinator for themed centerpieces for tables, graphic artist, printing discounts/donation, artist rendering services, beverage donation for golf course play, golf goodies for 144 golfers' bag, course assistance at check-in, at course, and dinner.
