

October 2009

To Whom It May Concern:

An exciting season of Griffin Baseball is just around the corner at Los Alamitos High School. At the present time we are collecting Advertisement and Banner sales for our 2010 Griffin Baseball Program. This program book is professionally assembled and printed. It carries advertisements from many businesses in our community. The banners are displayed on our outfield fence throughout the year, for Spring, summer and fall games as well as summer camps. All proceeds from this fundraiser go directly to support the Freshman, JV and Varsity Baseball teams for the 2009-2010 school year.

As available school funds for extra-curricular activities have fallen prey to budget cuts, it has become more and more important and **appreciated** to have community involvement and support, such as yours. While the baseball program has enjoyed tremendous success, the aging facilities need to be updated in order to make them safe and worthy of a championship team; this is the primary goal of our fundraising efforts. Your support will help maintain the long history of a *quality* baseball program here at Los Alamitos High School, where our Boy's Varsity team were Sunset League Champions for five of the last ten years. Also, it provides goodwill advertising for your business among players, their families, and the local community who supports them.

The Los Alamitos Baseball Booster Club is a 501 (c) 3 federally certified, non-profit organization, therefore all contributions are fully tax deductible. For more information about the LABBC and the Los Alamitos Griffin Baseball Program please visit our website at <http://www.griffinbaseball.org>. All of those who purchase advertising or banners will be featured on the sponsors portion of the website throughout the year.

These fine young men thank you for your support!

Sincerely,

Los Alamitos Baseball Booster Club, Inc.
